Wed Sept 30th	3:00 pm - 6:00 pm	MU Ballroom

- Follow the instructions to schedule your appointment.
- You will receive a confirmation email after you've scheduled the appointment.

Please be sure to complete the consent form, which will appear in a link immediately after you select your time slot.

The flu vaccine is offered at no cost to all FHSU students. However, most insurance plans pay for the vaccine. The Student Health Center may seek reimbursement for the vaccine from insurance plans to offset the significant cost of the vaccines.

University employees should email a photo of the front of their insurance card to [healthcenter@fhsu.edu](mailto:healthcenter@fhsu.edu) so an insurance claim can be submitted. To receive a text message reminder one hour before your appointment, complete the **Opt-in for Texting** form on the landing page of the patient portal.

Because of the pandemic, it is very important for everyone to receive a flu vaccine this year. If you are unable to attend one of the seven Flu Clinic events on campus, flu shots will be available at certain times in the Student Health Center. You can also participate in the flu shot drive-thru at HaysMed on September 27<sup>th</sup>, 9:00 am – 2:00 pm.

The Centers for Disease Control provides [comprehensive information](#) about the importance of getting a flu vaccine. The [Vaccine Information Statement](#) is also available for review prior to receiving your vaccine.

### Monthly Mindfulness Minutes!

This semester has been stressful. But stress doesn't have to take over our lives. Simple yet intentional steps can go a long way as we prioritize self-care.

**The Kelly Center invites you to join us for a brief mindfulness meditation on the last Wednesday of every month, Monthly Mindfulness Minutes (MMM).** Join us as an individual, an office, a class, or a department. All you'll need is a quiet space and a willingness to pause your busy schedule for a few moments a month.

MMM will be held on the last Wednesday of every month, starting September 30<sup>th</sup>, at 8:15am. The meditation will last around 20-30 minutes, but please stay as long or as little as you're able. You can access the live meditation via our recurring zoom link, or listen to the recorded sessions at a later time. The recordings will be posted to the Kelly Center website.

Here is the recurring zoom link: <https://zoom.us/j/96561480413>

We hope many departments and offices will chose to incorporate MMM as a tool for decreasing the impact of stress, depression, and anxiety on our campus. Mindfulness meditation is an excellent way to mitigate the risk of overstress, prevent burnout, and increase productivity. And the benefits aren't only momentary, research has shown meditation to "conclusively and positively change your brain structure."

Still not convinced? Check out the following article on the specific benefits companies like Google, Nike, and Apple have seen after incorporating mindfulness meditation:

<https://www.inc.com/marissa-levin/why-google-nike-and-apple-love-mindfulness-training-and-how-you-can-easily-love-.html>

**Tigers, let's lead our students by example as we make our mental & emotional health, and our overall wellness, a priority.** Please direct any questions to Amanda Brown ([amanda.brown@fhsu.edu](mailto:amanda.brown@fhsu.edu)) or Jessica Albin ([jkalbin@fhsu.edu](mailto:jkalbin@fhsu.edu)). Finally, if you would like to receive a recurring Outlook invitation for MMM, please let Jessica know.
